復

1) Which dish do you feel most proud of?

"Our Signature Slow-Braised Beef Cheek Rendang — a dish crafted with time, patience, and love. Simple, soulful, and full of flavour, it tells a story of care and quality in every tender bite."

2) What do you do to get into the zone in the kitchen?

"Music sets the mood — a little funk, a little soul, and the vibe is just right. Add a strong kopi o kosong, and you're ready to take on the day!"

3) What's one kitchen rule you never break?

"Clean as you go — Always! A tidy station is a calm mind. Plus, no one wants to prep the next day in a battlefield."

Let's take you on a Culinary Journey

Since 2009, TASTE has delighted diners with bold Italian flavours, inventive fusion dishes, and fresh, local ingredients. Every plate is crafted in-house with sustainability and quality at its heart.

We're proud to champion eco-conscious dining through initiatives like:

- Ethically sourced coffee and tea supporting fair, sustainable farming.
- 30% locally sourced ingredients to reduce our carbon footprint and support regional producers.

We're honoured to have received the **Silver Accolade at the 100 Bites Singapore, part of The Drum Awards** — a proud recognition of our passion for flavour and quality.
