A playful afternoon experience featuring a Made with KITKAT[®] welcome drink, Asian-inspired savoury bites and desserts Made with KITKAT[®], available from 3 August to 31 December 2026 at \$60++ for two

SINGAPORE, 5 AUGUST 2026 – ibis Singapore on Bencoolen, in collaboration with **Nestlé Professional**, invites guests to take a break from the everyday **with TASTE the Break: High Tea Made with KITKAT[®]**, a new afternoon dining experience available at TASTE Restaurant from 3 August to 31 December 2026.

Inspired by KITKAT's iconic "Have a Break" philosophy, the experience invites guests to slow down, reconnect and enjoy a thoughtfully curated afternoon treat.

Priced at \$60++ for two persons, the experience brings together a specially crafted Pistachio Mocha Made with KITKAT[®] welcome drink, alongside a selection of savoury bites and desserts Made with KITKAT[®], creating a playful and relaxed take on the traditional high tea.

Whether for afternoon catch-ups, celebrations and casual dates or simply taking time out of a busy day, TASTE the break turns an afternoon pause into an experience made for sharing.

Start the Break with Something Sweet

The experience begins with a choice of welcome drink. Guests can opt for the Pistachio Mocha Made with KITKAT[®], bringing together chocolate, coffee and a nutty pistachio touch, or refresh the palate with a bright and citrusy Shaken Yuzu Americano.

The two options offer guests a choice between something indulgent or refreshing before settling in to enjoy the high tea spread.

A Savoury Selection with Asian-Inspired Flavours

Served on a tiered stand, the savoury selection brings together familiar favourites with Asian-inspired flavours and textures.

Guests can enjoy:

- Smoked Salmon & Chuka Salsa served with Baguette
- Braised Top Shell with Spicy Kimchi Sauce
- Tamagoyaki Croissant
- Texas Chicken with Curry Sauce
- Tempura Ebi with Salted Egg Yolk Sauce
- Smoked Duck Spring Roll with Hoisin Sauce

Make the Break a Little Sweeter

Completing the experience is a sweet finale featuring desserts Made with KITKAT[®].

Each high tea set includes a Chocolate Bar Cake Made with KITKAT[®], thoughtfully designed for sharing between two, alongside Apple Crumble Made with KITKAT[®], served as an individual portion for each guest.

From that first sip to the final sweet bite, TASTE the Break is centred around one simple idea: sometimes, it is good to pause, reconnect and enjoy the moment.

Located within Singapore's vibrant Bras Basah Bugis precinct, TASTE Restaurant provides a relaxed setting for friends, couples and families looking to slow down over an afternoon spread while exploring one of the city's most dynamic arts and cultural neighbourhoods.
